

Perlé was a bigger tourist attraction than the Falls. Whole groups of sightseers were transfixed by her perfect body and wanted to take her back to Europe with them.

"Well, they can't have me," Perlé laughs.

"I'm the *Penthouse* Pet of the Year, and I'm reserved for *Penthouse* readers."

Perlé was flown to Victoria Falls by Zimbabwe Express Airlines. She was photographed at the Falls, with the help of Safari Par Excellence, and at the Victoria Falls Safari Lodge, where she was accommodated in luxury.
